

Stroud Neurodiversity Project

As part of our ongoing commitment to neurodiversity, Oakridge School is taking part in the Stroud Neurodiversity Celebration Week in March 2022. Mr Wright, our school SENCO will be taking an assembly during the week and various activities will be taking place in the classrooms.

Our pupils are engaged with the idea of neurodiversity and all children have had the opportunity to become involved in discussions and activities. The project is a hub for resources and information for all parents and children and provides a base to raise awareness of the needs of children and young people who are neurodiverse and provides practical strategies for schools and parents. Click on the links below to find out more.
